December 1, 2014

Dear Parents,

This year we are excited to be offering After School Math Programs for Division 1 (gr. 1-3) and Division 2 students (gr. 4-6) for the purposes of support and enrichment on Tuesday and Friday from 3:15 – 4:15 p.m. These programs will run in 3 sessions of 19-20 classes. The second session of 20 classes begins on Tuesday, January 6th and finishes on Friday, March 27th. Registrants must attend all classes in the session. The schedule for the second session is as follows:

Jan 6	Jan 9	Jan 13	Jan 16
Jan 20	Jan 23	Jan 27	Jan 30
Feb 3	Feb 6	Feb 10	Feb 13
Feb 27	Mar 3	Mar 6	Mar 10
Mar 13	Mar 17	Mar 24	Mar 27

The Math Support Program is for those students who are working at or below grade level, who may be having difficulties and would benefit from additional time and small group opportunities to further develop their understanding of math concepts and skills. The Math Enrichment Program is for those students working at or above grade level who are experiencing success in their current grade and have a keen interest in or ability for math concepts and skills. Referrals to these classes may come from parents and/or teachers. If a teacher believes your child would benefit from either of these programs, they will discuss their recommendation with you.

It is important to note that these additional classes are not included in the regular tuition and the fee is \$170 MOP per session, to be paid in full (at the main office) before January 6th (total of \$3400 MOP).

Please note that bussing is not available for students dismissed at 4:15, and it will be necessary for you to pick up your child at that time. Please sign and return the form below by December 18th if you wish to register your child in either program.

Yours truly,

Ms. Mary-Anne Jasinski

Elementary Principal

After School Math Program
