GOVERNMENT SUBVENTIONS

Residents of Macau who are registered with the Education Department qualify for student subventions. Government subventions are typically sent to the school twice a year in December and June. Student subventions are applied directly to a student's account upon receipt and are displayed on the statement.

TIS endeavors to register all qualified students with DSEJ. Changes to a student's Macau ID, passport, or work permit can cause delays in student registrations. **Please report any document changes to the school office as soon as possible.**

Timeline of Subvention Payments:

June 2020	School issues invoice for 1st Instalment school fees for 2020-21 school year. *Note - This is a full bill for 1st Instalment, no credits for 2019-20 Term 2 subventions will be shown on the invoice as the School will not yet have received the subventions from DSEJ. This applies to all TIS students.
End June 2020	School receives 2nd Term subvention for 2019-20 school year from DSEJ.
End December 2020	School receives 1st Term subvention and Educational Materials subvention for the school year 2020-2021 from DSEJ.
