Kindergarten - Grade 3

Seesaw

PK to Grade 3 teachers use the Seesaw Blog to share news, announcements and photos with parents. Classes in the same year group can be connected so that parents can see what is happening in all of the classes of their child's grade level.

Parents can access the Seesaw blog via a link; this link will be will be shared by the classroom teacher.

Grade 4-6

Google Sites

Students will use Google Sites to develop a portfolio of their work. Parents can access the site via a link shared by the homeroom teacher. Sites are made public in June.

Grade 7-12

Gibbon

Gibbon is a school-wide education management system. Teachers use Gibbon to take attendance, enter grades, track behaviour and write report card comments.

Students can use Gibbon to access their grades, view unit plans & homework assignments, view their timetable, access learning materials and view resources shared by their teachers.

Parents are able to access Gibbon to view their child's grades, assignments, assessments and attendance details. They are also able to update personal information, find staff contact information, register for ECAs, and track their child's academic records

Teacher Email Addresses

All teacher email addresses are available on the school website. We would love to hear from you.
